Never thirsty with Peribond

Thanks to Peribond Technology, fabric which is used in inflatable cushion is thinner and lighter. This thin but robust bag can be folded in a -40% smaller housing. In this example, the room saving is equivalent to around 33cl.

Allowing you to put one more cans in your gloves compartment. Nobody will never get thirsty in your car!

PERIBOND

CUT & SEWN

33cl Cans + Peribond Bag = Cut & Sewn Bag
Same bag's volume
